Sun City Festival In-Ground Containers

Sun City Festival residents are located in either collection area 1 or collection area 2. Please see the Collection Area Map on page 4.

The in-ground container located closest to the garage is for recyclables and the in-ground container located closest to the street is for trash. Please place excess bagged and tied garbage on top of your in-ground trash container and don't forget to place excess recyclables in a box or paper bag which is then to be placed on top of your in-ground recycling container. All materials must be set out for collection no later than 5:30 am on collection day. Please keep landscaping trimmed and away from the in-ground containers. Pavers should also be kept 6" away from the in-ground containers.
